MORALITY — ^{heavy of xian goods} strong "Victimhood" ^{The New Left Appropriating Victimhood} appropriation
Weak
trivial — identification (contradictory)

The New Left - materialist modern post modern
envelopes Cultural marxism Foucault,
Althusser, Derrida [social political theories]

New wave Post war 70s

~~Left post war USSR - "Capitalism"~~

direct Capitalism to a word Cultural —

Economically
Human rights
Social justice

~~State owned industry & white economies~~

shifting goals

~~China, East Europe, Stalinism - modern~~

(factum)

New accommodate (White Wash USSR) // Apologists.

Capital 'Neo-liberalism' } as the trouble all along → Trouble?

Each cycle fin of econ.

financial shocks at discrete moments off
resentments

critical of mkt econ, massive conspiracy of 99 to 1.
at 9 +
marxism = humanism, (cultural decline 'consumerism'
(moral, spiritual degradation) - left of Jacobin's
goals - unjust, don't romantic - established
then dist'n, class David Goliath powers
voice of grievance - emancipation (liberation)
of oppressed - Social Justice

Then - pol oppression
right to mind
own bus.
(conservatives) but the very system
and structures of
civilisation as
to free from - 'bourgeois'

Then laws, Nation state, school, family all
systems of power over the 'victim' and of
dominance - what others as civil order
police, laws at the behest.

Liberation of victim - There exist ← not
within, so - Tools ← new victims - gender
of abstract victims ← Islam ← LGBT

The bourgeois as fascists.

The supplemented by a chain from ③
univs to politics to NGOs - Non-Discern

What was equal rights has right to equals
'hierarchies' - fundamentally abhorrent
yet meeting own leaders aptant.

prp prep now, forced equality respect as
untenable, onty against an equal
meritocracy transforms
to equal respect

forced equality by making
inequality as broader equality.

constraining the indl w/ potential, energies

"RESENTMENT" - war on structures
w/ nothing to replace
dominant weak morality

(Nietzsche - 'castn down - celebrate')

Socrates of Greek culture - radical
sceptic

WASH is meant and
justify means - whitewash every section

place in this Alliance Inghat you will go ~~for~~
for social justice, no compromise, reforms
a bourgeois play of giving candy from
sugar mill.

Marx - Scientific not utopian - ^{hist} real
a society classless no need state everything
common, no div of lab each for all all for each
(The German Ideology) - ~~to be~~ - who works
of fill the soil -
child in answer.

Benefits of legal order
who any - As a dream sold to foolish
young romantics to seduce

This narrative of our world of the molecules
invented in writing to put in the - righteous
struggles
the forces of light against darkness (whatever they
stand against)
(Manichean) moral alchemy.
monopoly on morality

with courts of proof on others, themselves
no constructive answers

...d on Aristotle & Chomsky - Marx "just" (5)
the religious despite exposure of pseudo
philosophy, pseudoscience, pseudoeconomics
from history, LTV, Comintern, alienation
class - No answers only counters.

from revolutionaries to welfare-culture.

(suits) - Academic newspeak - this language
which is regimented (socialists in power -
keys to intellectual high ground)

Labels' assertions (mixed w/moral judgment)

friend/enemy - within ~~front~~ - Bolsheviks,
mencheviks

enemy as revisionists, utopian, fascists

-ists 'crisis of Kism', euphemism even
'Democratic Socialism'

from reality to abstract

Some which do not exist - forces, classes

fascism - outside of people, ^{implications,} complexities

There is no peace time but constant struggle

= crisis of Krom, Kien exptu
debates already predetermined goal - false
echo chambers rational people & Ripon
(adverse selection), you lose the indl face
but become bourgeoisie - like an identity
dehumanize, Sanghi - power play authority
automatically to struggle against.

Indl justice in front of social justice.
Creation of a new order from these is a
top down decree and then call it
people's movement (day to day problem, mundane
minute) - based - grounds, this is.

parliament justice - minute, single destn
as power / domination and class ed loot
phenomena of civil order.

autocratic govts, institutions seen as disguised power systems of the 'repented class' (7)

Seizing power it is in naked form hidden under the banner of "liberation of oppressed" resentment focussed by pooling all those in their way as a 'class' with their 'ideologies' where 'rule of law', 'property rights' etc constitute it (as power seeking devices) in showing this class an ideology it then claims to be a science, shunning its own ideological nature (cunning)

This vocab as a rite of initiation as members of this esteemed critical class speak this language fluently and you become the elite, entitled to interpret states to an unenlightened.

Nietzsche - slave morality - pleasure in bringing things down than raising selves up.

Cooperation mutual aid fellowship, forgetting non-cooperatives as the enemy - hehans, getrich

(5)

This misuse of resentment then gives
who cried wolf dilutes value of genuine
public resentment. What differs the genuine
is system reform, while the former aims
at tearing down structures and claim total
power.

Failure armchair intellectuals in their abstractions
lose sight of reality and sooner or later
public catches their act and are dehypnotized.
But while that, already next ideas to put
into action, new enemies. This alienation
imagined unity b/w the populace and this
so called intellectual elite and morally righteous.
